Company Director of Mumbai based real estate investment firm Mini Homes and Founder of Film Production House Mini Films - Mansi Bagla walked the ramp for designer Shaina NC at the Bombay Times Fashion Week. The young entrepreneur looked stunning in a navy blue velvet embroidered lehenga.

Mansi Bagla walked the ramp for Shaina NC's show titled, 'Glamour With A Purpose'. On asking how was her experience on walking the ramp, Mansi said, "It was an absolute pleasure to

walk the ramp for Shaina, especially because it was 'Glamour with a Purpose'. I was more than happy to promote Fashion for a cause and walking the ramp wearing a beautiful ensemble designed by Shaina was overwhelming. I am glad I could add my touch of style to the entire show and it was amazing to see a packed audience cheering for all us gorgeous women who walked the ramp."

Drapes have always been Shaina's forte and for this show, too, she went all out to showcase some colourful, stylish ensembles.
